

641—29.4(105) Minimum qualifications for licensure. The following minimum requirements shall apply to all licenses issued after July 1, 2008.

29.4(1) An applicant for any type of license must be at least 18 years old.

29.4(2) Effective January 1, 2010, all apprentice applicants must have completed a high school education or attained GED equivalent.

29.4(3) An applicant shall have no record of felony conviction relating to the profession as determined by the board.

29.4(4) An applicant of any unit of state or local government, including but not limited to cities, counties, or school corporations, is exempt from licensing requirements if the applicant only performs routine maintenance on a mechanical system or plumbing system, which serves a state-owned facility, while acting within the scope of the state employee's employment. Any other type of work on a mechanical system or plumbing system requires licensing in the applicable discipline.
